## Notice to Marcventures Stakeholders

Marcventures Holdings, Inc., a publicly-listed holding company and owner of Marcventures Mining & Development Corporation (MMDC), would like to clarify that **MMDC is in full and active operation**. While MMDC received on September 27, 2016 by facsimile transmission, a letter dated September 23, 2016 ("DENR Letter") from (Former) OIC, Senior Undersecretary for Environment Leo L. Jasareno, the same merely informs MMDC of the major findings from the audit conducted without any mention of suspension or instructions to reply. Notably, the same letter also advises MMDC that the DENR shall "be forwarding soonest the pertinent Audit Report for [MMDC's] guidance." As of today, 19 October 2016, MMDC has not yet receive the detailed audit report.

We are confident that we will be able to refute the findings mentioned in the said DENR letter since they mostly refer to alleged deficient documents or programs which were already submitted for appropriate action of the DENR.

We assure our Stakeholders of our commitment to comply with and support the efforts of the DENR and the Philippine Government to ensure that Mining will be made in a responsible manner in compliance with existing laws and regulations and with due regard to the well-being of our host communities.
