Material Information/Transactions

**Background/Description of the Disclosure**

Regarding the Press Conference of DENR Secretary Regina Lopez on February 2, 2017

**Other Relevant Information**

We have not officially received any letter or notice from Sec. Lopez regarding the suppose closure order of Marcventures Mining and Development Corp. We strongly feel that the declaration made by Secretary Lopez through a press conference was done arbitrarily and hastily; completely lacking of the due process of law. Based on her statements during her press conference, we can only surmise her basis which is Marcventures' alleged operation in a watershed. We are confident that Marcventures can overturn the supposed findings considering our prior legal right. In this regard, we intend to proceed with our usual business operations and to start mining when the season starts this second quarter. We hope to receive the notice or order from the DENR so we can present our side and overturn the supposed findings.
